TimeWise Age-Fighting Eye Cream

Important Notes:

Use Microdermabrasion either Day or Night 2 - 3 times per week. Do not follow with Acne Treatment Products.
Over-the-counter drug product.

Since we have so many good Age-Fighting Products recently added to our line, sometimes it is hard to know in what order do I use them. You will only use the products that meet your needs and in this suggested order. This would also be good to share with your customers.
